# November Independent Reading

Due \_\_\_\_\_

This month you will read a book of your choice that you have not yet read. When you finish the book, you will—

1. Take the AR Test on the book.
2. Write a poem that tells the story of your book. Your poem should be 16-24 lines, must rhyme, and make sense. Please type or **neatly** write your poem using correct poem form. Proofread and make sure you have correct spelling and punctuation. Include the title of your book at the top of your paper.
3. Make a half-page colored illustration for your book. (See diagram below for hints about the final product.) Neatness is important, as the entire book report will be displayed in the hall. This must be your OWN artwork.
4. Read your poem in front of the class and show us your illustration. We may choose to enter some of these in Salt Lake's Annual Poetry Contest.
